Graham Partners PRIVATE EQUITY SUMMER **GRAHAM PARTNERS** INTERNSHIP OVERVIEW

The Graham Partners 10-week summer internship offers high performing and extremely motivated undergraduate students an opportunity to gain experience in private equity. The internship combines structured training and development programs, mentorship, and live deal experience to help each intern build a strong foundation of skillsets and experiences necessary to be successful in private equity and the business world more generally.

Graham is proud of its unique "promote from within" culture, and the firm is focused on hiring full-time Analysts directly from the internship class.

TRAINING COURSES

All interns participate in:

- Training the Street: 4-day financial modeling and valuations course to help interns master key financial concepts and develop fundamental quantitative skills
- Accounting Course: 8-week accounting class with a Villanova University accounting professor
- Financial Modeling: comprehensive financial modeling training program to learn to build leveraged buyout models from scratch

MENTORING. NETWORKING. AND DEVELOPMENT

Mentorship: This is the core of our internship program. Interns will be assigned a mentor who will be their primary contact on a day-to-day basis for training, live deal work, and general questions.

Networking: Interns will gain exposure to Managing Principals and VPs through one-on-one meetings or "coffee chats" throughout the summer.
